**Bob Burns Ties Woman and
Children to Floor and
Burns Them**

McKee-McBain Press Ass'n.

Chicago, Feb. 28.—Bob Burns, a
mulatto, quarreled with his mistress
yesterday. He knocked her down and
tied her in her room with her two
children and set fire to the house,

ALMOST UNANIMOUS.

The Early Closing Proposition Meets
with Favor.

The petition being circulated among
the merchants of Guthrie asking that
they close their respective stores at
5:30 o'clock p. m. every evening ex-
cept Saturday, from January 1 to Septem-
ber 1, is almost as general as the
following list will show. There
is no class of wage earners who is en-
titled to such consideration as the re-
tail clerks. They are housed up from
early morn until night, on their feet
all day, doing their best to make the
business of their employer a financial
success and to ask that the dry goods,
clothing, boot and shoe houses to
adopt the early closing idea during
the fall season and the summer
months is but a just compliment to the
clerks. The following merchants have
signed the list:

Brennanchild & Weckel, shoes
Bendelbach Bros. The Fair, dry
goods.

Ramsay Bros., dry goods.

The Bush, dry goods.

C. A. Bower, shoes.

Reed & Smith, dry goods and shoes.

Grand Leader, dry goods, clothing
and shoes.

Lerry's Bee Hive, clothing.

Boston Store, dry goods.

J. J. Abel, clothing.

Junkins Mercantile Co., dry goods
department.

Morgan Grant, The Bazaar, dry
goods, clothing and shoes.

PNEUMONIA PREVENTED.

Among the tens of thousands who
have used Chamberlain's Cough Remedy
for colds and grippe during the
past few years, to our knowledge, not
a single case has resulted in pneumonia.

Thus Whitefield & Co., 210 W.
Washington, Chicago, one of the most
prosperous retail druggists in that city,
in speaking of this says: "We recom-
mend Chamberlain's Cough Remedy
to grippe in many cases, as it not
only gives prompt and complete recovery,
but also counteracts any tendency
of a grippe to result in pneumonia."
So say by C. B. Hartsoe, druggist.
